AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the Office Action dated October 30, 2002, please amend the above-identified application as follows:

IN THE CLAIMS:

Please amend claim 1 as follows:

B1
1. (Amended) An LED lighting fixture wherein a plurality of elliptically light distributing LEDs are arranged radially on a horizontal circumference and wherein each of said plurality of elliptically light distributing LEDs have a wider divergence angle horizontally than vertically.

Please amend claim 4 as follows:

B2
4. (Amended) An LED lighting fixture wherein a lens is comprised of a unit-type lens, and a plurality of elliptically light distributing LEDs are provided in a center of said unit-type lens and arranged radially on a horizontal circumference and wherein each of said plurality of elliptically light distributing LEDs have a wider divergence angle horizontally than vertically.
